

# TERMS & CONDITIONS

How the Club Works: Four times a year (March, May, October and December on or near the 15th) Truckee River Winery will host a pick up day event for all wine club members or ship wines should you choose. If you are a pick up member and can not pick up your wines within 7 days, we will ship your wines and charge shipping accordingly. If you need to skip a shipment or move your shipment to another date please call us 15 days prior to shipment date. Truckee River Winery may substitute a wine of equal or greater quality if the winemaker deems necessary and based on availability. Prices subject to change based on prices of wines shipped.

You must be 21 years of age or older to become a member of Truckee River Winery Wine Club and purchase wine. Wine will only be shipped to street addresses, with business addresses preferred, and an adult signature is required at delivery. You must remain in the Truckee River Winery Wine Club for at least 4 wine club shipments, or you will be charged a \$75.00 cancellation fee. You are required to submit to us via email any changes to your billing/ shipping address, credit card information, or decision to cancel your membership. If a Wine Club delivery is made to your address in our files, you are responsible for payment whether or not you still reside at that address, and whether or not you receive that shipment. The required adult signature makes delivery to a business address most expedient.
